**BATTLE CREEK, MI** — BlueOx Credit Union is donating Ramsey Solutions' *Foundations in Personal Finance* curriculum to Parchment High School. *Foundations in Personal Finance* is the premier curriculum for teaching financial literacy to students.

Personal finance expert Dave Ramsey created *Foundations in Personal Finance*, an easy-to-use, turn-key school curriculum that teaches students the value of saving, spending and giving to guide them down the path of financial literacy.

“Responsibly managing personal finances helps improve the quality of life. By sponsoring the Ramsey Education Program for the students at Parchment High School, we are investing in a better future for our community,” said Fran Godfrey, BlueOx Credit Union CEO. “We are pleased to help set them on a path to win with money by changing the way they look at money forever.”

More than four million students have taken *Foundations in Personal Finance* in middle schools, high schools and universities nationwide. *Foundations in Personal Finance* can be used as a resource to fulfill requirements in mathematics, economics, family and consumer sciences, business mathematics and personal finance.

Ramsey Education is a division of Ramsey Solutions. For more information about the curriculum, go to <https://www.ramseyeducation.com/>.
