

# Announcing Our Lobby Re-Opening Plans

## Important Member Announcement

Dear Valued Member,

BlueOx Credit Union is now moving into Phase Two of our lobby re-opening plans and we are excited to announce that our Coldwater Branch lobby will be open to serve you on **Monday, June 15**. Although the stay-at-home order has been lifted, we are still operating in accordance to federal, state and local government guidelines and recommendations.

As a reminder, Phase One began on **June 1** with the reopening of our Portage Branch lobby. Please check your email or visit: [blueoxcu.org/news-and-events](https://blueoxcu.org/news-and-events), to stay up-to-date with our re-opening plans.

## What to Expect When You Visit

### Social Distancing

We will require our employees and members to maintain proper social distancing while inside our branches. Each lobby will have markings on the floors to help indicate the appropriate amount of distance that should be kept between each other. We will also limit the number of members allowed in our branches at one time.

### Protective Equipment

Our team will be wearing protective equipment for our protection and yours. We strongly encourage members to wear a face mask when entering our branches. If you do not have a face mask on hand, we will provide you with one. We have also installed plexiglass barriers at every station to help prevent potential respiratory droplets from being exchanged by employees and members.

### Hand Sanitizing Stations

Each branch will have a touchless hand sanitizer dispenser available for use.

### Cleaning

Every branch has been provided with cleaning supplies to keep our branches properly sanitized throughout the day.

### Removal of Community Items

We have removed all items that are shared between members. This includes water coolers, Keurig machines, magazines, brochures, tables and chairs. We will also have our restrooms locked and limited to by request only, while sanitizing after every use.

### Heightened Security

We recognize that facial coverings come with additional risk and we have educated our staff on the best robbery prevention practices.

We highly encourage you to continue practicing social distancing by utilizing our [Digital Banking](#) options, including [Online Banking](#), [Mobile App](#), [Mobile Deposit](#) and [Phone Banking](#). And as always, you can access your account by [ATM or Night Deposit Box](#) and our Contact Center is available to serve your financial needs at **(800) 648-8035**, Monday through Friday from 9 a.m. to 5 p.m. by [telephone, text or live chat](#). Also, our drive-thrus remain open Monday through Thursday, 9 a.m. to 5 p.m. and Friday, 9 a.m. to 5:30 p.m. in Albion, Battle Creek, Coldwater, Jackson and Sterling Heights.

Thank you for your membership and continued trust in BlueOx Credit Union. Your Credit Union is strong. Your savings are safe. We will get through this together...we always do! [#TrustYourCreditUnion](#)
