Getting to Know the BlueOx iTellers

As part of our on-going commitment to enhancing the member experience, as well as providing additional choices that fit your lifestyle, BlueOx Credit Union is excited to announce a new, easy-to-use banking technology, beginning with our Battle Creek Branch lobby and drive-thru, and now available for your convenience! Interactive Teller Machines (ITMs) or iTellers are innovative and interactive “I do my own banking” ATM machines with a personal touch. They provide face-to-face assistance from a knowledgeable iTeller specialist using live video chat technology – all the convenience of an ATM with the personal service of a live teller PLUS more convenience and functionality! Picture an ATM that comes to life, much like Skype, FaceTime or Zoom.

8 Reasons You Will Love iTeller!

- Quick, easy transactions – No deposit slips or payment coupons needed
- Private, personal live assistance – Touch the screen and speak with a BlueOx iTeller specialist
- More functionality – Take care of more business beyond standard ATM transactions
- Social distancing – There's no person-to-person contact as it's all done completely digitally through video, which allows you to stay safe
- Simple to use – The ease of an ATM with personalized service and hospitality
- Security – A safe and secure way to do your banking
- Drive or walk-up convenience
- Check images on receipts

For your knowledge, education and convenience, we have prepared a comprehensive list of frequently asked questions regarding our new iTellers. Click below to learn more.
